ADMIN OFFICE
HANDY VACCINATION ADVICE

1. All Year 7 students presenting a signed consent form with the required vaccine boxes signed (there are 3 coloured signature boxes at the top right of consent form) can commence a course of free vaccine at the next scheduled school visit. Consent forms can be accepted anytime during the school year.

2. Any Year 7 student absent on vaccination day will have their scheduled vaccine given at the next school visit. A letter will be sent to the parents with this advice.

3. Every attempt will be made by the school vaccination program to complete courses of vaccine in school.

4. There is no need for parents to take their child to the GP for missed vaccinations. If students access vaccinations through a GP, all Year 7 vaccines are free of charge.

5. Any Year 7 student’s HPV vaccine will be caught up in Year 8 before June 30th.
